EDUCATION

Korea National University of Arts — 2020 – 2024
Euphonium Performance

RESEARCH EXPERIENCE

Research Project Participant — 2026 – Present
MATINE, KAIST (Prof. Jinwoo Lee)

- Investigating how breathing affects instrument sound, using sensors loaned free of charge by Yamaha

Research Intern — 2026 – Present
IBD Lab, KAIST (Prof. Jihyun Lee)

- Generative AI-Based Design Interpretation & Evaluation
- Smart Mirror Project

Research Assistant – Multimodal Interface Evaluation — July – August 2026
ETRI, AI Robot UX Research Lab

- Supported user experiments on multimodal interface effectiveness in conditional autonomous driving environments

PUBLICATIONS

An Integrated Framework for Multidimensional Evaluation of Service Design — 2026
Min, S., Kim, G., Hong, Y., Youn, Y., Yum, J., Jang, E., Hyun, S., & Lee, J.
Archives of Design Research · Accepted with Revision · SCOPUS

Stress Prediction Using Personalized Pre-Sleep Lifelog Features — 2026
Kyeongran Moon, Sujin Hyun
Accepted · ICTC 2026 · Conference Presentation, Jeju, Korea

PATENTS

AI-based Integrated Monitoring Method and Device for Companion Animals Using Stress Analysis and Event Records — 2026
Patent Application · Application No. 10-2026-0042437 · Filed: March 10, 2026

Risk Assessment Method and Device for AI-Based Companion Animal Care Services — 2026
Patent Application · Application No. 10-2026-0042438 · Filed: March 10, 2026

PROFESSIONAL EXPERIENCE

Frontend Developer — 2026
Gonggan Insoft

Performance Planning & Operations — 2024 – 2025
Teamplay Arts Planning

SELECTED PERFORMANCES

Musica Euphonium Tuba Ensemble 2024
Seoul Arts Center

Arteum Brass Band with David Childs 2024
Bucheon Arts Center Concert Hall

K-ARTS Graduation Recital 2023
Lee Kang Sook Hall, Korea National University of Arts

Arteum Brass Band with Bastien Baumet 2023
Konkuk University Saecheonnyeon Hall Concert Hall

National Symphony Orchestra of Korea 2022
Seoul Arts Center Concert Hall
Solo Euphonium Part in Pictures at an Exhibition

Seoul Wind Orchestra, 110th Regular Concert 2022
Lotte Concert Hall
Korean Premiere of Symphony No.1 by Carlos Pellicer

Kuna Wind Orchestra 2022
Lee Kang Sook Hall

AWARDS & ACTIVITIES

AWARDS & HONORS

1st Prize, Music Education Newspaper Competition 2019

1st Prize, Korean Music Association Competition 2019

2nd Prize, National University Wind Orchestra Brass Competition 2019

ENTREPRENEURSHIP & ACTIVITIES

KAIST App Startup Program, 6th Cohort 2026 – Present
Participant

2026 PIN UP Concept Design Awards 2026
Participant

CERTIFICATIONS & TRAINING

CERTIFICATIONS

Adobe Certified Professional (ACP) 2026
Photoshop · Illustrator · Visual Design

GTQ Graphic Technology Qualification Level 1 2026

SDI Open Water Scuba Diver December 21, 2021

TRAINING

AI & Development Training 2026
KAIST

- OpenClaw: Agentic AI System Development
- Vibe Coding-Based Web Service Development

Python Programming 2026

- Programming Fundamentals with Python A (KAIST)
- Python Programming Fundamentals (Codeit)

SKILLS

Research · HCI / UX · Service Design · Interaction Design · UI/UX Design · Frontend Development · Web Development · AI Tools · Music Technology · Python · Data Collection · Adobe Creative Suite
